ASSEMBLY OF THE UNION Thirtieth (30th) Ordinary Session 28th – 29th January 2018 Addis Ababa, ETHIOPIA

AFRICA AGRICULTURE TRANSFORMATION SCORECARD

The 2017 progress report to the Assembly

Highlights on Intra-African trade for agriculture commodities and services: Risks and Opportunities Assembly Decision (Assembly/AU/2(XXIII)) of June 2014

Department of Rural Economy and Agriculture (DREA)

Nigeria scores 3.4 /10 and is Not on track in implementing the Malabo Declaration on Agriculture transformation in Africa ...

Highlights of the 5 key areas of strong performance of the Country:

42.9%
for CAADP
for evidencebased policies,
supportive
institutions and
corresponding
human

59.6%

of men and
women
engaged in
agriculture
having access
to financial

for inclusive institutionalized mechanisms for mutual accountability and peer review.

5% for domestic food price volatilty.

Highlights of the 5 key areas that require the country's attention:

services.

2.2%
of public
agriculture
expenditure as
a share of total
public
expenditure.

-20.7%
annual growth
of the
agriculture
value added
(agricultural
GDP).

resources.

-20.6% increase of agricultural value added per arable land.

increase of supplied quality agriculture inputs to the total inputs requirements for agriculture commodities.

-16%

of of required data for the biennial review the completed.

Recommendations

- Nigeria should increase public expenditure in agriculture to meet the CAADP Malabo target of 10%, and meet the spending needs on social protection for vulnerable social groups and for resilience building initiatives.
- The country should allocate more public investments in agriculture and address the srategic areas of investments that would increase the agricultural GDP to at least 6%.
- The country should also ensure increase in fertilizer use and supply of quality agriculture inputs to boost agricultural productivity.
