New ABIVCD Group Speaker

We want you!

We will elect a new speaker of the "Agribusiness and Inclusive Value Chain Development (ABIVCD)" working group during our meeting at the SNRD Conference in Abidjan, Côte d'Ivoire on Friday, November 1st 2019.

Opportunities The position of the speaker provides:

- ✓ a great overview about the diverse activities concerning value chain development in Africa
- ✓ a sound network for exchanging ideas and sharing knowledge
- ✓ inspiration and input from other projects' work

Requirements The ideal speaker of the group:

- √ has a professional background and experience in value chain development
- √ has good communication skills to manage the group and foster exchange between networks
- ✓ speaks English & French (if only English, then a French-speaking co-speaker required)
- ✓ is capable to manage a small budget
- √ has sufficient time available (~ 3 days / month)
- ✓ works for GIZ in Africa

Tasks The speaker's work typically includes:

- √ planning & organising events: e.g. SNRD conferences (~ every 2 years) or group workshops (~ every other 2 years)
- ✓ representing the group within the SNRD Africa, especially in the SNRD Africa steering group
- ✓ coordinating activities emanating from group events and motivating the members to implement them
- ✓ communicating regularly with deputy speaker/s, tandem partner and the group's IDA community manager
- managing content and knowledge through the group's virtual platforms (homepage & IDA community)
- ✓ coordinating thematic contributions of the working group for the SNRD newsletter (~ 1 / year)
- ✓ co-organising webinars discussing up-to-date topics (~ 6 / year)

We are looking forward to vote for you during our working group meeting, Nov 1st 2019!
